

MARCH 1, 2023

ANNUAL JOINT STATEMENT

TRI-COUNTY EDUCATIONAL SERVICE CENTER
BUSINESS ADVISORY COUNCIL CONSORTIUM

*Business Advisory Council
Plan Issued by the Tri-
County Educational Service
Center Governing Board and
the Business Advisory
Council representing
Tri-County Educational
Service Center and its
member districts.*

Tri-County Educational Service Center Business Advisory Council Consortium

This consortium was formed in accordance with the provisions of Ohio law (Ohio Revised Code Section 3313.82) requiring every school district and educational service center to have a Business Advisory Council and to meet the requirements of Ohio law (Ohio Revised Code Section 3313.821) which directs the development of standards for the operation of Business Advisory Councils.

Ohio's Business-Education Leader Awards for Excellent Business Advisory Councils

"In Ohio, the collaboration between education and business is extremely important. We excel at providing opportunities for students across the state to gain the skills necessary to become competitive on the global stage. We know Ohio is quickly becoming a state known for its growing economy, having a well-trained workforce, and attracting businesses from all over the country and the world for that matter. That's why Business Advisory Councils are so important for our students, educators, and business partners. They give businesses the opportunity to share the skills they are looking for in their workforce so educators can bring those needs back to their classroom to prepare students for jobs right here in Ohio. As I always say, 'Those who collaborate best, are the ones who win.'" - *Lieutenant Governor John Husted, 2023 Business Advisory Council Awards Video*

**Tri-County Educational
Service Center Business
Advisory Council
Consortium is a Proud
Winner of a 3-Star BAC
Award of Excellence**

Tri-County Educational Service Center Business Advisory Council Consortium

Mission Statement:

The Business Advisory Council (BAC) is committed to building collaborative partnerships among education, business, and community. The BAC will advise school districts on curriculum and broadening exposure to the world of work in order for students to extend their learning beyond the classroom and gain the valuable essential skills needed for success after graduation.

Purpose & Responsibilities:

The Business Advisory Council will support partnership between member schools and the business communities of Ashland, Holmes, and Wayne counties.

The partnership will:

-**Advise** local districts on changes in the economy and job market as well as projected in-demand jobs in the region

-**Advocate** for the employment skills most critical to business and industry and the development of curriculum to teach these skills

-**Aid and support** local districts by offering suggestions for developing a working relationship among businesses and educators

*Chippewa Middle School
Students work on developing
their skills in the Health Careers
CTE Class*

**"If everyone is moving forward together,
then success takes care of itself."**

Meeting Schedule

The following meetings are scheduled to take place involving the Business Advisory Council or significant factions of its membership.

Tri-County Educational Service Center

Governing Board Meetings:

- September 12th, 2022
- October 10th, 2022
- November 7th, 2022
- December 12th, 2022
- January 10th, 2022
- February 13th, 2023
- March 13th, 2023
- April 3rd, 2023
- May 8, 2023
- June 12th, 2023
- July 10th, 2023

Triway Local Schools students in the Family and Consumer Science Class present information at the Fall Advisory Team Meeting (Joyce Krebs - Class Instructor)

North Central Workforce Alliance of Ohio Executive Board Meetings:

- September 14th, 2022
- December 7th, 2022
- March 1th, 2023
- June 7th, 2023
- September 6th, 2023

Wayne Economic Development Council:

- Informal meetings bi-monthly throughout 2022-2023

Tri-County Area Superintendent Meetings:

- September 14th, 2022
- October 3rd, 2021
- November 16th, 2022
- January 18th, 2023
- March 15th, 2023
- April 19th, 2023
- June 7th, 2023

Triway Local Schools students in the Agriculture Education Class present information at the Fall Advisory Team Meeting

Communication

- Career Connections Coordinator will attend NCWA Executive Board Meetings Quarterly, Wayne Economic Development Council (WEDC), and Orrville Area Chamber Executive Board meetings to share updates on district curriculum, programs, and events. The coordinator will also gather input from business leaders.
- Career Connections Coordinator will provide a summary each quarter to the Tri-County ESC Superintendent, Tri-County ESC Governing Board, and Member District Superintendents regarding:
 - quarterly meetings
 - programs, activities, and events
 - information on the economy and job market
 - employment skills and career awareness
 - business and education partnerships
- Written documentation of meeting minutes and updates on recommendations and needs will be provided:
 - Summer Quarter – September 1
 - June, July, August
 - Fall Quarter – December 1
 - September, October, November
 - Winter Quarter – March 1
 - December, January, February
 - Spring Quarter – June 1
 - March, April, May
- Career Connections Coordinator will report back to the Tri-County ESC Superintendent and Tri-County ESC Governing Board monthly in-person at board meetings or via a written report on:
 - the economy and job market
 - employment skills and career awareness
 - business and education partnerships
- A joint statement from BAC and ESC Governing Board will be issued by March 1st each year and will include:
 - Meetings conducted
 - Summary of activities/events conducted by BAC
 - Synopsis of the BAC advice and recommendations regarding needed employment skills, economic and job market changes, job outlook, and developing working relationships between businesses, labor organizations, and educational personnel

Plan

The plan of the Tri-County Educational Service Center Business Advisory Council is to make recommendations on the following:

- The delineation of employment skills
- The development of a curriculum to instill employment skills
- Changes in the economy and in the job market
- Types of employment in which future jobs are most likely to be available
- Suggestions for developing a working relationship among businesses and education personnel
- Suggestions for improvement of annual events, professional development sessions, and student activities including, but not limited to: Manufacturing Day, Healthcare Day, Senior Work Expo, Vital Connections
- Career Awareness Days/Events planning and support
- Graduation Plans and Student Success Plans Education
- Training on new Graduation Requirements
- Support in drug-free programming
- Support in employability skills and soft-skills training
- Mentoring, job shadowing, apprenticeships/pre-apprentinternships
- Parent engagement activities
- Parent Education and Awareness regarding Career Planning
- Data analysis and information describing changes in economy, job market, student skills, and deficiencies
- Identifying community, business, and student educational needs (academic, nonacademic, employment skills, and skills needed for success in higher education and careers)

"No other investment yields as great a return as the investment in education. An educated workforce is the foundation of every community and the future of every economy."

Brad Henry

BAC Annual Joint Statement Questions (Implementation & Progress)

1. Are there any changes to your Business Advisory Councils' structure or leadership since you submitted your plan for this academic year?

As of March 1, 2023, there have not been any changes to the Business Advisory Councils' structure or leadership.

2. Of goals submitted in your 2023 Business Advisory Council Plan, on a scale of 1-10 with 10 being goal accomplished. What goals were you able to accomplish?

Action Item 1: Identify Capacity, Support, and Partnerships for Increased Student Career Exploration Activities and Work-Based Learning Opportunities - Rating: 10

PROGRESS: A survey was sent out to area businesses in the Fall of 2022 in order to gain a better understanding of the capacity of businesses to support increased student career exploration activities and Work-Based Learning Opportunities. The survey had 44 respondents - 19 Local Education Agencies, 11 Business & Industry, 5 Community Agencies, 1 Higher Education Agency, 2 Government Agencies, 1 Healthcare Institution, 1 Non-Profit Agency, and 1 Public Transit Agency. The responses supported the fact that businesses, government, and community entities are willing to support and partner with schools. This information will help to foster new collaboration and partnerships moving into the 2023-2024 school year.

BAC Annual Joint Statement Questions (Implementation & Progress)

2. Of goals submitted in your 2023 Business Advisory Council Plan, on a scale of 1-10 with 10 being goal accomplished. What goals were you able to accomplish?

Action Item 2: Increase the Number of Students Engaged in Career Exploration Activities (specifically Job Shadowing and Mentorship) and Work-Based Learning Opportunities - Rating: 8

PROGRESS: The Tri-County ESC Business Advisory Council has made gains in establishing more opportunities for Job Shadowing and Mentorship. Specifically, the BAC has been working with the Orrville Area Chamber of Commerce College and Career Readiness Committee and Young Professional Committee to create a student career exploration program aimed at 9th and 10th-grade students. This program is tentatively entitled "Envision Your Future" and will hopefully be implemented in the 2022-2023 school year.

Action Item 3: Increase Opportunities for Students In Elementary School to Explore Potential Careers by Engaging in Business and Community Partnerships - Rating: 5

PROGRESS: With the 2022-2023 school year being the first "normal" return to school year since the COVID-19 pandemic, many school districts are still regaining their footing. Also, there have been several new Dyslexia Support laws that have required focus and attention from elementary schools specifically involving intense staff training. Several BAC member businesses like Centerra Coop and DirtDawg Excavating reached out to elementary schools to begin programs, however, the response was limited. The BAC has reached out to elementary schools by providing access to online tools, such as the INFOhio Career Connections Openspace Resources.

Action Item 4: Support Districts in Utilizing Technology Tools and Platforms, like Transeo, OhioMeansJobs.com, and YouScience - Rating 10 (with a disclaimer, see Question 4 Below)

PROGRESS: The BAC was able to provide a demonstration of Transeo, a suite of student readiness tools to support students and educators with tracking the requirements of Ohio's new graduation requirements. Three districts in the consortium decided to utilize the program (Loudonville - Perrysville Exempted Village Schools, Rittman Local Schools, and Southeast Local Schools). The BAC was able to provide funding to cover 75% of the cost of the first year of implementation. The BAC was proud to help school districts access this tool and to help pay for the cost of implementation.

BAC Annual Joint Statement Questions (Implementation & Progress)

2(a). What challenges have you experienced implementing your goals?

The residuals of the COVID-19 pandemic have continued to impact the goals of the BAC. For example, the typical Manufacturing Day Event held in October annually was held in person again this year for the first time since the pandemic began, however, it was significantly smaller and not as well attended. Also, the annual Career Fairs were also impacted due to a decline in student/school district participation. Another challenge, especially with regard to the elementary level, has been increased legislation and training requirements due to new Dyslexia Laws. This increase in requirements has led to limiting the time available for other programs for elementary schools particularly.

3. What new partnerships have your Business Advisory Council formed for the SY23?

The BAC is excited that new partnerships have been established with the following entities: Certified Angus Beef, Moog Inc., McElroy Packaging, DirtDawg Excavating, Junior Achievement of North Central Ohio, Wayne County Commissioners, Ohio State ATI, and the Cleveland Clinic

4. Have you added or removed any goals submitted in your SY23 Business Advisory Council Plans? If so, please provide details.

The BAC has removed/amended goal 4. Unfortunately, despite the excitement of using the Transeo platform, all three districts have reported back that the user experience has been exceedingly poor. Two districts have not been able to upload student information and one district was able to utilize the platform in only a very limited capacity. All three districts shared that as of 2/27/2023 customer support has been lacking and frustrating. Therefore, the districts do not plan on continuing to use the platform into the next school year. Therefore, the BAC will change directions and shift to other options to support districts in the 2023-2024 school year.

5. Have you received any media coverage or participated in any case studies as a Business Advisory Council? If so, please share.

The BAC shares news and events on its Facebook page and Instagram Page (linked [here](#) and [here](#)). Furthermore, the monthly Career Connections Newsletter features a different career pathway each month along with monthly school district features (linked [here](#)).

Throughout the year, events are also featured in local newspapers. Example: [Community members gather for 2022 Noth Central Workforce Alliance Summit - Ashland Source](#)

Events, Activities, & Programs

Tri-County Educational Service Center Business Advisory Council member districts, business partners, and higher education partners work together throughout the school year for events, activities, and programs that support and uphold the mission and purpose of the Business Advisory Council.

Specifically, the Business Advisory Council school districts and business partners plan to participate in:

- Wayne County Career Expo - Senior Career Exploration Event
- Ashland, Holmes, and Wayne Counties In-Demand Jobs Week Events
- Ashland, Holmes, and Wayne Counties Vital Connections Teacher Immersion Bootcamp
- North Central Workforce Alliance of Ohio 2 B.E. Connected Teacher Immersion Bootcamp
- Tri-County Educational Service Center VEX IQ STEAM Camp
- Wayne County Schools Career Center Manufacturing Camp
- Ashland County-West Holmes Career Center Gloves & Goggles Event
- Wayne County Manufacturing Day Event
- Tri-County Educational Service Center and Buckeye Book Fair Young Author Event
- Teacher Professional Development Day (Industrial Arts, Physical Education, School Counselors, Family, and Consumer Sciences)
- North Central Workforce Alliance of Ohio Workforce Summit (Spring and Fall)
- OhioMeansJobs-Readiness Seal Educator Training
- Ohio's New Graduation Requirements Educator Training
- Northeast Ohio Transition Symposium (State Support Team)
- chARter Creative Arts Workshop (Orrville)
- Ashland County-West Holmes Career Fair
- Graduation Requirement Training: Local Graduation Seals
- Young Author Conference
- Various Field Trips, Speakers, Career Days at Membership School Districts

Students learn hospitality skills in the Career Cafe at Wayne County Schools Career Center

Students at VEX IQ Robotics Summer Camp practice their skills in the arena

Events, Activities, & Programs

Chippewa Local Schools students participate in Robotics Competition

Students meet Author Marcy Campbell and have their books signed at the Young Author Conference

Sixth grade students experience different trades at the Ashland County - West Holmes Career Center "Guys with Gloves & Girls with Goggles" event

Justin Winget, Creative Director for the Pistons, speaks to students at the chARTer event
